

McCain Residence

Description: New Residence, 3,420 SF

Location: Tecumseh, Michigan

Cost: \$420,000

Completed: 2004

McCain Residence

The McCain Residence sits at the edge of a 100 year flood plain at the rear yard. To allow for the Client desired first floor area in the new MBR and New Parents BR, the first floor was cantilevered 3'-8" over the walk-out basement floor at the rear yard side. An actual 100 year floor would come up to the edge of the rear paved patio.
