Schumacher Residence Additions

The Owner wished to add a New 2 Story Addition and a New 2 Car Garage Addition to the rear of his existing residence (circa 1952) located on the edge of a hilltop overlooking Plymouth Parkway below and north Ann Arbor.

The new livingroom / kitchen / b'nook are located on the upper level and the new walk-out master bedroom / bath / walk-in closet on the lower level. The existing residence was also remodeled to provide for a new guest bedroom and 3/4 bath..

The design solution included a new front entry breezeway connecting the existing front entry to the new 2 car garage. vaulted ceilings in the new upper level livingroom / dining room / kitchen / b'nook and a walk-out lower level.
